MEMORANDUM FOR:

FROM :

SUBJECT :

Briefing on Negotiating and Monitoring
a Chemical Warfare Ban

1. Attached is the briefing that we discussed in our meeting Wednesday, 22 February.

2. It could be worked into a good briefing so that it could be used as filler after rapid updating with respect to the status of negotiations. Alternatively it could be used if the negotiations suddenly came into the news for some reason.

3. In any case I think the likelihood of using it is too small to continue carrying it week to week on our active list. In any event I'll keep it on file.
